10 February 1959

CONTRACT APPROVAL NO. 11  
Contract No. SP-1918

Confirming verbal approval given to  you are STATINTL  
hereby authorized to procure and/or fabricate a retrofit kit suit-  
able for the field installation of a rearward looking mirror on  
all FOG aircraft. The design is to be essentially the same as  
that provided for certain Project aircraft. You are further  
authorized to provide the FOG MSSC with ten spare replacement kits.
